

# STUDIO

GLAZED CERAMIC | WALL TILES

PLAIN COLOUR TILES **INTRO**

JOHNSON • TILES 

MADE IN THE UK SINCE 1901

# STUDIO

Studio offers a warm colour palette with base tones of cream, white and sand. The Gloss finish reflects light for a modern look, while the Satin options are more delicate. Try pairing with the complementary scored or linear structure options to create a design feature or use on their own for a statement finish. Bordered options are also available to complete the look.

### Important Information

During the manufacturing process of ceramic, vitrified and porcelain tiles, some variation in shade and pattern can occur. Before fixing any tiles; several boxes should be opened and their contents mixed to ensure that size, colour, shade and patterning are acceptable. The tiles shown are quality products and conform to the physical properties listed below.

- All sizes shown are metric modular.
- For specific suitability and fit-for-purpose details please contact our technical helpline.
- Johnson Tiles cannot accept responsibility for any tiles that have been fixed.
- Every effort has been made to ensure the accuracy of the information given.
- Johnson Tiles reserves the right to change specifications and availability without prior notice.
- Nothing in these statements does or will affect the statutory rights of the consumer.
